Pam, we've finally made it. It's about time huh. And no more putting up w/ waking up early in the morning, or working, to put up w/ P.H.S. But it's gonna be quit hard. At least you have something to look back on. You know Pam, you have so much going for you, I hope you don't let yourself down. You're cute, very pretty + talented. Shoot, what more could anyone asks for. Well, I hope your dreams come true.

Pooh, remember when you were in [illegible] (middle) we always wore Jordache jeans, T.P. + lightning bolts shirts. Those were the good days. And we used to go skating all the time. But I guess we all have to grow up! It SCARES ME. Well, please don't forget me Pam. We've finally become good friends, so don't forget me.

I wish you so much happiness. You deserve the BEST.

Pam,

Well our days at P.H.S. are just about over. Time for us to fall into the "real world". It's been fun being friends with you ever since our days of Skating. I won't forget our days in band, it just wouldn't have been the same with Watson. Good luck down at Ringling I'm sure you will do a good job.

THE END

Pam,

To a Very good friend I sure am glad I met ya. I think your the only friend I've ever had that I've never been mad at or got in a fight with x. It's really wild that we have so much in common! Well you've been here for me all year to listen to my problems and we've had our 2 hour talks on the phone comparing our great fathers oh yes x Well I hope ya stay in touch after you graduate x In fact I do believe you better. So when you graduate, move out and settle down in your own place we will throw one hell of a party maybe even a party for our friend Adam oh yes x Hopefully the two years of patience you left me in your Senior will can help x Hopefully my so called family will become a family and maybe I'll finally find the right guy but I doubt it. Well good Luck in the future with art school and anything else you do. You better keep in touch x I'm really gonna miss having you around next year x who am I gonna eat lunch with? Hehe.
